

COPPERFIELD DOLPHINS

The Copperfield Dolphins Swim Team is a non-profit summer swim team that has been touching children's lives for the last 25 years! We are a member of the Northwest Aquatics League and compete with other teams in our division on Saturdays, May – June. We hold daily practices April –June for children in the 7 Villages of Copperfield, ages 5–18 years old. Our swimmers also have the opportunity to swim at divisional and city-wide invitational meets.

As a team, we emphasize the teaching of sound competitive swimming skills, good sportsmanship, the promotion of individual improvement, and having a good time with friends and neighbors. Over 180 children join our team and their parents are asked to volunteer their time and talents to support our team. Many volunteer hours go in to running our practices, meets and all the fun activities we do for the kids.

All funds collected through our sponsors go directly to helping our young swimmers. We purchase equipment for practices and meets, supplies, awards, ribbons, etc. Coach's salaries, membership dues, and insurance are among the other areas your donations help to fund. We recognize every sponsor through announcements at our dual meets, ads in our home meet heat sheets and a link to your website on our team website.

Sponsorship of the Copperfield Dolphins is an excellent opportunity to support your community and help enrich the lives of many local children.

Thank you for your support.
